CELEBRATE WITH YOUR TEAM.

Welcome to Manly's former Quarantine Station - a side of town you've never experienced before.

Q Station offers a range of incredible experiences, from boutique hotel accommodation, stunning wedding locations, conference facilities, water activities and an amazing restaurant, as well as Sydney's best history and after-dark tours. We are proud to be the only hotel in Sydney with a beach!

As the year draws to a close, there's no better place to gather your team than somewhere that feels genuinely extraordinary. Nestled within Sydney Harbour National Park, sweeping harbour views and native bushland turn a great evening into one nobody forgets.

Choose from 11 heritage-listed venues across 33 magnificent hectares, each with its own character and story. The setting does what no hotel ballroom ever could.

Your team has given a lot this year. Give them an ending worth celebrating. We'd love to host your end of year event at Q Station. Get in touch to find out more.
