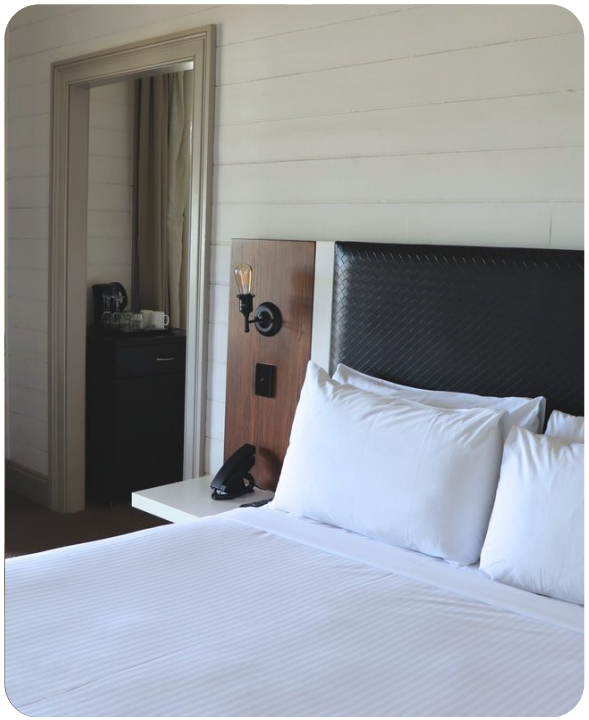
ACCOMMODATION

Q STATION OFFERS A RANGE OF DIFFERENT ROOM TYPES INCLUDING THE FOLLOWING:

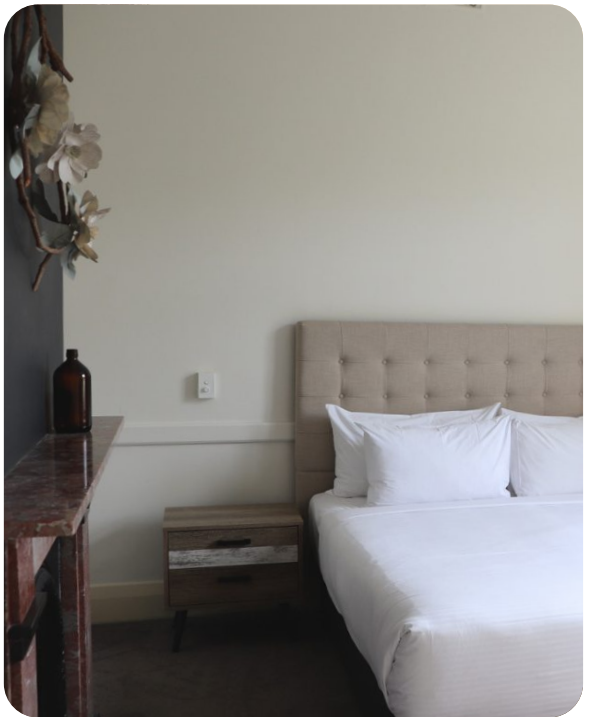


HERITAGE ROOMS

Our Heritage rooms come in four distinct rooms types including our Heritage Harbourside rooms featuring stunning glimpses of Sydney Harbour, as well as our Heritage Queen, Heritage King and Heritage Suites. Each room is comfortably designed with either a Queen or King bed, French style doors that open onto the balcony, and ensuite bathroom. Rooms can accommodate 2 people, or our Heritage Suites can accommodate 3 adults or 2 adults and a child.

THREE-BEDROOM COTTAGES

Once used as quarantine staff homes, these spacious three bedroom cottages have spectacular views of the grounds, harbour and historic buildings of Q Station. They feature one king room as well as two queen rooms, a living room, bathroom and kitchenette with cooking facilities. While every cottage is different, most feature backyards with balconies or a verandah. These rooms are great rooms if looking for a twin share option or a re-connection cottage.



THE TERRACES

The Terraces, originally used as doctors and nurses quarters, provide the ultimate accommodation choice for families or groups due to their more private location away from the main accommodation precinct. Nestled in the hill surrounded by National Park with sweeping views across the top of Boilerhouse Restaurant and headland beyond, these two apartments have different configurations, and sleep six.
